## VINEYARDS

Sourced from a selection of the best white grapes from all of our Biodynamically farmed estate vineyards in Elvillar.

## WINE MAKING

The grapes were hand destemmed and foot trodden to start the fermentation naturally with indigenous yeast. After fermentation was finished the wine was pressed and placed in 225-liter French barriques. Rich in color with a salty, Sherry-like tang, lots of leesy richness and some tannic, grape skin-derived grip.

## TASTING NOTES

Rich in color with notes of baked apples and an organic and earthy touch. The pallet is fresh with salty, Sherry-like tang, lots of leesy richness and some tannic, grape skin-derived grip.
